The referral process works best when both the referring practitioner and the Vermilion clinician are on the same page. To that end, this leaflet contains details of our CPD Series 2016/2017, focusing on the following topics:

- Periodontics
- Endodontics
- Clinical Photography
- Complete Denture Prosthodontics
- Vermilion Implant Journey
- Endodontics
- Periodontics
- Oral Surgery
- Clinical Photography

The courses are hosted at Vermilion and each evening represents 1.5 hours of free verifiable CPD.
